

Middle-Eastern Racism in the Modern Era

Annabelle and Apollo

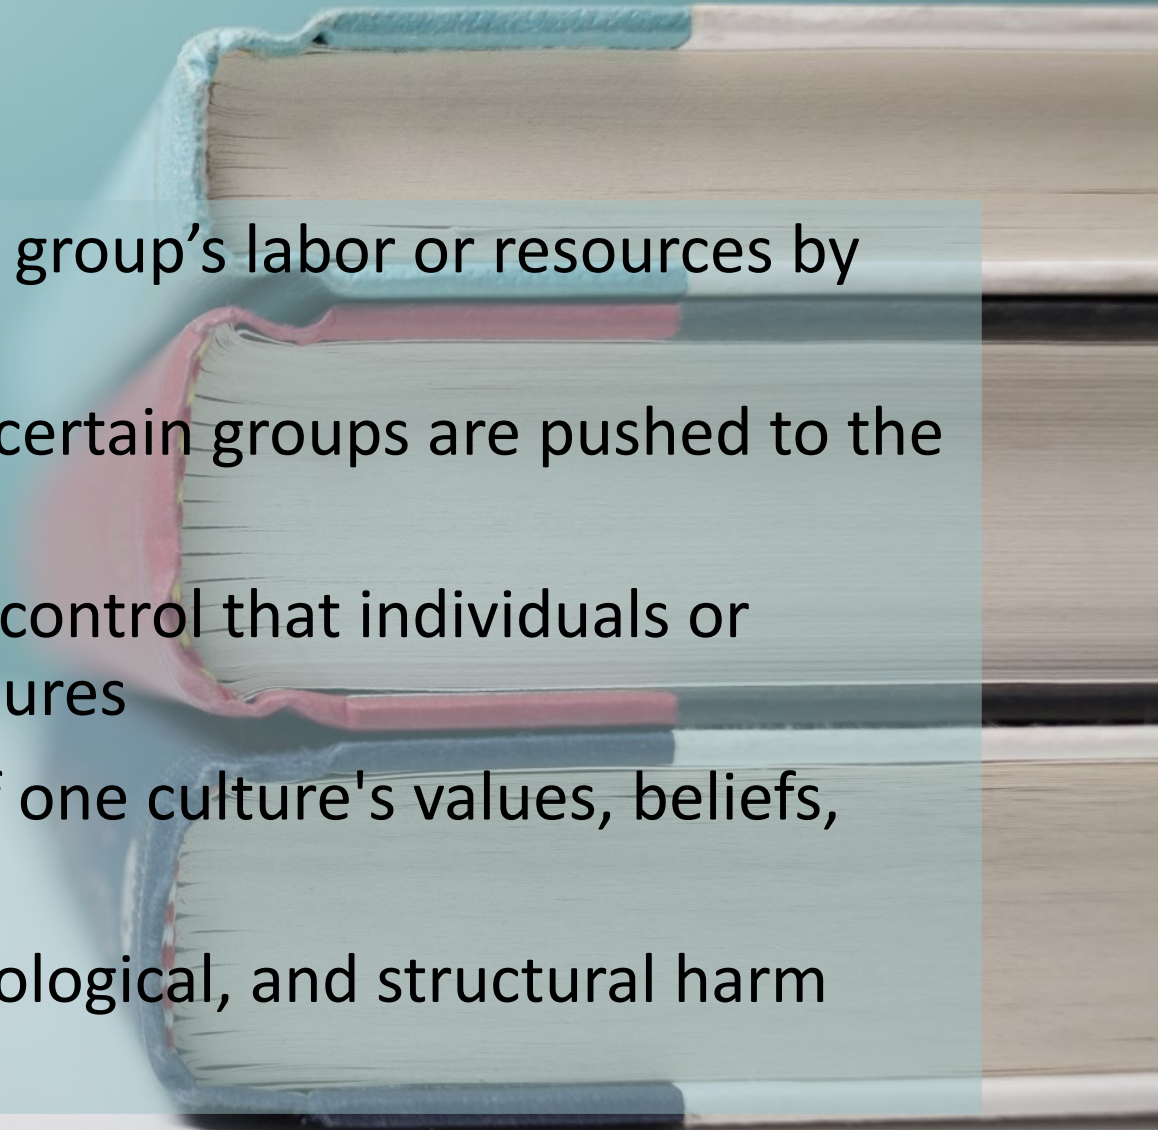

Overview of Middle Eastern Racism

- It can stem from islamophobia but is its own distinct form of hatred
- Western media portrayals have overwhelmingly skewed negative

Faces of Oppression

- **Exploitation** - the systematic use of one group's labor or resources by another
- **Marginalization** - the process by which certain groups are pushed to the edges of society
- **Powerlessness** - the lack of agency and control that individuals or groups experience within societal structures
- **Cultural Imperialism** - the imposition of one culture's values, beliefs, and practices over another
- **Violence** - encompasses physical, psychological, and structural harm inflicted upon individuals or groups

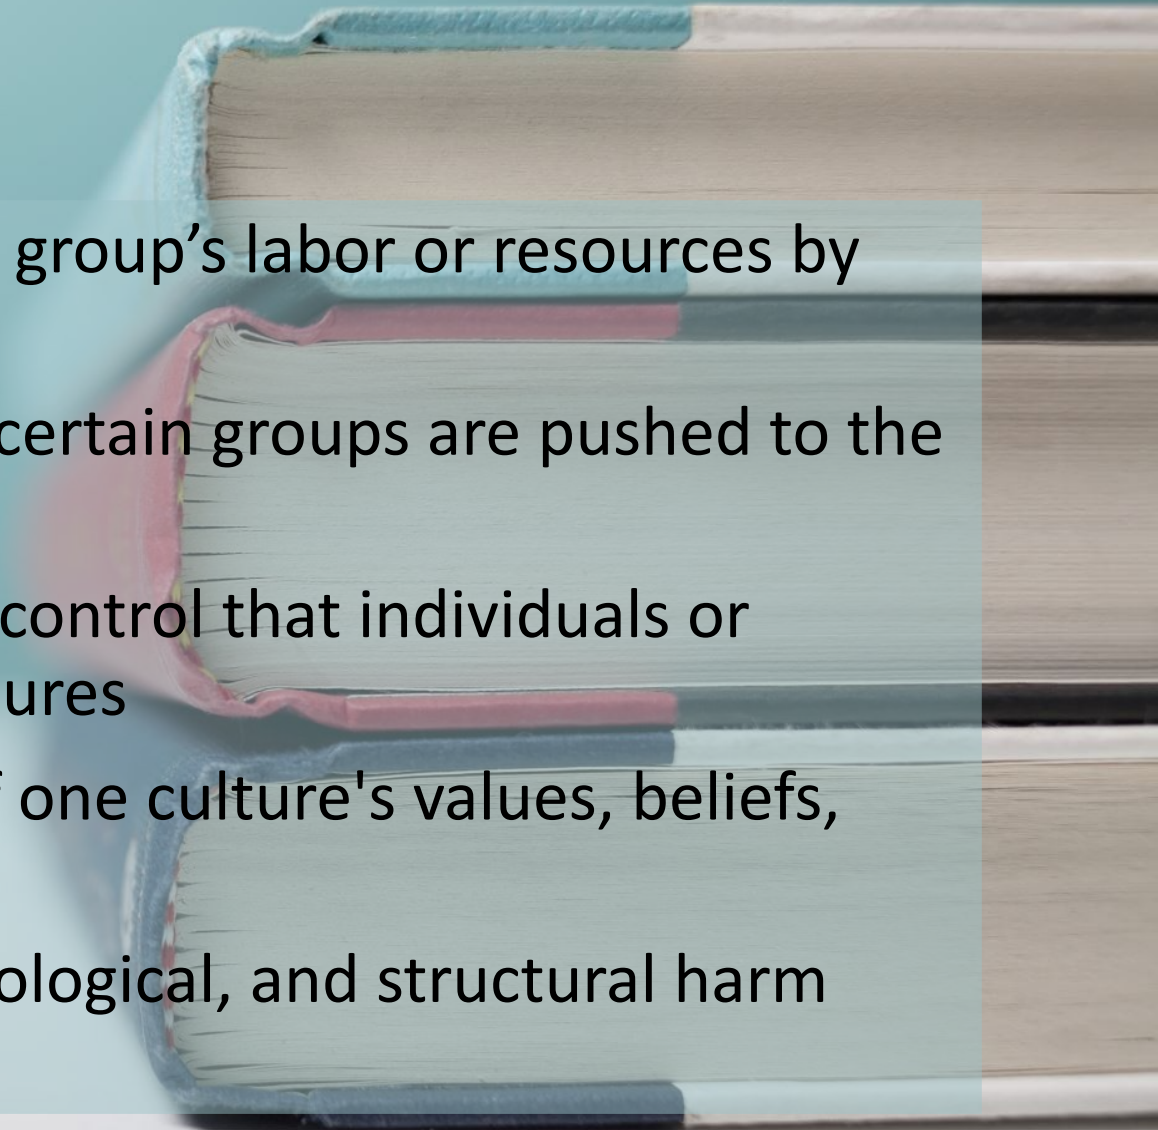

Middle Eastern Racism and 9/11

- Leading up to, and following the attacks on 9/11, hate against Middle-Easterners grew.
- Media coverage of the attacks focused on the identities of the terrorists, associating their racial identity with their religious extremism
- Many people associated Middle Eastern racial identities with this extremism exacerbating the issue.

The War in Gaza

- Following decades of discrimination and forced apartheid², a militant group of Palestinians attacked Israeli citizens, sparking a war.
- Since then, the ongoing war has only worsened, resulting in thousands of lost lives.
- International opinion is divided, but many wish for the violence to end.
- Israeli officials refuse to come to peace, despite the many calls for ceasefire.

Summary

- Middle Eastern racism has been prevalent for centuries, compounded by white supremacy, and Christian nationalism
- In the recent history of the past 40 years, it has only gotten worse, as media depicted racist caricatures, and the war on terror incited violence.
- While a lot of racist sentiment has dwindled, it is still prominent internationally, with the Gaza war, and migrant policy being two of the biggest examples.
